HPR ALASKAN GOLD

S

LOT 9

DONATED BY: Beverly and Jason Brehm, Rogue Suri Alpacas; Hillary Devin, Shambalah Alpaca Ranch; & Jennifer Hack, Triple H Ranch

Alaskan Gold is more than we could have ever hoped for in a Suri male. He has an incredible show record with 11 - 1st Place wins, 5 - Championships, and was awarded the prestigious Judges Choice award twice!

Alaskan Gold is out of Whirlwynd and by the great Lazy G's Accoyo Goldstar. His pedigree is dense! Density seems to elude many alpacas, even if they have nice fleece. Alaskan Gold sheared 13.4 lbs and ranked TOP 1% in BOTH Fleece Weight AND Staple Length for all EPD samples submitted in 2016! All of the judges he showed under gave credit to his fleece characteristics and appreciated his stout and straight conformation as well.

Alaskan Gold has already put some amazing crias on the ground so far and we anticipate many more to come! He is closed to outside breedings, so this is a rare opportunity to breed your female to this stellar male!

Aragon is a mild mannered male who began his breeding career 2 years ago with 4 cria born in 2020 and another 4 due in 2021. Aragon has an extremely dense fine fleece with uniform structured high frequency high amplitude fleece through out. DONATED BY: Triple Diamonds Alpaca Ranch

SSKY Castellanos is the complete package. The 2016 SUPREME National Champion was noted for bright fine-crimped, uniform fleece. Independently bundled from heat to toe and note to tail.
